The Significance of Numbers:

The explanation of the number based of the ruling planet is given first. The significance of these numbers can also be explained in the form of a story.

The Number 1:

The ruling planet of this number is Sun (see the above table). Hence the people born under this number have qualities of the sun. These people have a square face and thick eyebrows.

There is a beginning to every story. Therefore, within the number one we have many qualities that embrace LEADERSHIP and courage such as:

- Independence
- Adventure
- Initiative
- Originality
- Determination
- Individuality
- Direction

The Number 2:

The ruling planet of this number is Moon. Hence the people born under this number have qualities of the moon.

Then light was shinned upon the subject. The vibration of two is the 'light bearer'. It's core intention is balance and PEACEMAKING, creating friendship wherever it goes. It holds such qualities as:

- Diplomacy
- Meditaion
- Caution
- Kindness
- Sensitivity
- Cooperation
- Emotion
- Feeling
- Intuition

The Number 3:

The ruling planet of this number is Jupiter. Hence the people born under this number have qualities of the Jupiter.

The subject began to express with great creativity. Behold the joy of living with EXPRESSION in its many forms. The principles of the number three are:

- Enthusiasm
- Inspiration
- Imagination
- Words
- Vision
- Optimism
- Pleasure
- Creativity
- Ease
- Happiness
- Animation
- Artistic
- Cordial

The Number 4:

The ruling planet of this number is Rahu/Uranus/Sun. But, since Rahu is an imaginary planet and Uranus is very far from Earth, Sun is considered as the ruling planet.

Now that we have creation let us put it into FORM and order. With practicality and determination we can create order and serve. Great achievements have been accomplished from the qualities of the four, which include:

- Concentration
- Management
- Application
- Conservation
- Dedication
- Efficiency
- Organization
- Follow through

The Number 5:

The ruling planet of this number is Mars. Hence the people born under this number have qualities of the mars.

Now that we have accomplished, let us allow FREEDOM to prevail so that we may progress and create new enterprises. With the energy behind the five, we promote new ideas and undertakings. Rewards are to be realized through such qualities as:

- Expansiveness
- Invention
- Promotion
- Variety
- Adventure
- Flexibility
- Movement
- Change

The Number 6:

The ruling planet of this number is Venus. Hence the people born under this number have qualities of the venus.

Without others to love, serve, and cherish all is without purpose. Therefore, the six vibration brings with it the RESPONSIBILITY to restore humanity and remind all of us of the treasures within life. As six energy moves about in the world it embraces qualities such as:

- Beauty
- Creativity
- Domesticity
- Healing
- Morality
- Passion
- Harmony
- Trust
- Serving

The Number 7:

The ruling planet of this number is Ketu/Neptune/Moon. But, since Ketu is an imaginary planet and Neptune is very far from Earth, Moon is considered as the ruling planet.

Now that I have learned how to give of myself, who and what am I really? I must have INDIVIDUALITY. Therefore, the quest for wisdom and knowledge begins. Eager to make sense of it all, the qualities of the seven are:

- Analysis
- Research
- Calculation
- Understanding
- Perfection
- The Unseen
- Intuition
- Investigation
- Reason
- Vision
- Solitude

The Number 8:

The ruling planet of this number is Saturn. Hence the people born under this number have qualities of the Saturn.

Now that I have discovered Heaven, how do I bring it to earth? There is power behind MANIFESTATION and I want to do what it takes to attain what I want. The eight becomes very busy managing and supervising with its sense of judgement. Behind the vibration of the eight is:

- Power
- Authority
- Capability
- Organization
- Efficiency
- Skill
- Hard work

The Number 9:

The ruling planet of this number is Mercury. Hence the people born under this number have qualities of the mercury.

Having universal wisdom, I embrace the principles of forgiveness and COMPASSION. The nine holds the vibration of universal love. It teaches us how to accept each other. By having such a vast overview, the nine becomes a bridge to many qualities like:

- Creativity
- Imagination
- Benevolence
- Impersonality
- Intuition
- Philanthropy
- Emotion
- Generosity
- Devotion
- Dedication
